First Day of School

Welcome to your new journey of learning, growth, and discovery! We are so excited to have you join our school family. Here, you will find knowledge, friends, and endless opportunities to shine. Remember, every big dream starts with a single step – and today, you have taken that step!

We are here to support you, guide you, and celebrate every success along the way. Let's make this journey full of joy, curiosity, and achievements!

Once again, a very warm welcome to you!

*Best wishes,
Mpm family*

Dear Students,

Asha Srivastava
Director

It gives me immense pleasure to welcome you to our school. Today marks the beginning of a beautiful journey, one that will be filled with learning, growth, and memorable experiences. You are stepping into a place where dreams take flight, talents are nurtured, and every day is an opportunity to become a better version of yourself.

Always remember: your efforts, discipline, and curiosity will shape your future. We, at M. P. MEMORIAL SCHOOL & HOSTEL, are committed to guiding and supporting you at every step. Never hesitate to ask questions, share ideas, and aim high — because you are capable of achieving greatness.

I believe each one of you has something special within, and I am excited to see you shine brightly in the coming years. Let's walk together towards success with courage, dedication, and a smile!

Once again, welcome to the MPM family. Wishing you all the very best!

Meera Srivastava

Principal

Dear Students,

I am so proud of each and every one of you. Every day, you bring energy, creativity, and hope to our school community. Remember that learning is not just about grades or tests – it's about growing as a person, discovering your strengths, and preparing to make a positive difference in the world.

Believe in yourselves. Work hard, be kind, and never be afraid to dream big. Your journey is just beginning, and I am confident that you all have the potential to achieve amazing things.

Together, let's make this school year a memorable one filled with learning, friendship, and success!

World Health Day

World Health Day reminds us that good health is not just a personal goal, but a shared responsibility.

By making small, positive changes in our daily lives — eating right, staying active, and taking care of our mental well-being — we can build a healthier world.

Let's work together to spread awareness, support one another, and ensure that health is a right for everyone, everywhere.

ENGLISH CALLIGRAPHY

The Art of Beautiful Writing

Calligraphy is the art of creating beautiful, decorative handwriting. In English, calligraphy has a rich history, dating back to ancient manuscripts, royal letters, and historic documents. The word "calligraphy" itself comes from the Greek words kallos (beauty) and graphe (writing).

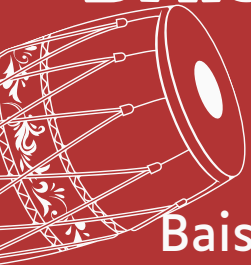

Tools and Techniques in English Calligraphy

To create beautiful calligraphy, artists use a variety of special tools. Traditional calligraphy often requires dip pens with metal nibs that can produce both fine and bold strokes. Modern calligraphers also use brush pens, fountain pens, and even digital tablets. Each tool allows for different styles and effects.

Mastering calligraphy also involves learning techniques like maintaining the right posture, controlling the pressure on the pen, and practicing consistent spacing between letters. With dedication and daily practice, anyone can achieve the graceful and artistic flow that defines true calligraphy.

BAISAKHI: A FESTIVAL OF JOY AND HARVEST

Baisakhi is a vibrant and joyful festival celebrated mainly in Punjab and other parts of India. It marks the beginning of the harvest season and is especially important to farmers, who give thanks for a good crop. Baisakhi also holds great historical significance, as it commemorates the formation of the Khalsa Panth by Guru Gobind Singh Ji in 1699. On this day, people wear colorful clothes, perform energetic Bhangra and Gidda dances, and take part in fairs and processions. Gurudwaras are beautifully decorated, and special prayers are offered. Baisakhi is a time of gratitude, community celebration, and hope for a prosperous future

Clay Activity

Working with clay is a wonderful way to bring your creativity to life. This hands-on activity allows you to shape and mold your ideas into tangible pieces of art. Whether it's making small figurines, pots, or abstract shapes, the process of sculpting with clay helps develop fine motor skills and spatial awareness. It encourages patience, focus, and artistic expression, as each piece is unique and reflects the artist's personal touch. Clay activities can also be therapeutic, offering a sense of relaxation and accomplishment once the work is finished. It's a fun way to explore your imagination and learn about the artistic process!

English Quiz + Spelling

Earth Day

Earth Day, celebrated every year on April 22, reminds us of the importance of taking care of our planet. It is a day to reflect on the environmental challenges we face and take action toward a healthier Earth. From reducing waste and conserving water to planting trees and protecting wildlife, every small step counts in preserving our natural resources. Earth Day encourages individuals and communities around the world to come together and work toward a sustainable future. By making eco-friendly choices in our daily lives, we can contribute to a cleaner, greener planet for generations to come.
